

Needle Felting Tools

FELTOMO

Felting is characterized by methods in which various two- and three- dimensional works can be created by poking wool with a special needle. Felting is accessible to beginners and children because accessories and interior decorating items can be made in a short time.

UPC : 846550014476
ART. NO. : TF008e
ART. NAME : FELTOMO (NEEDLE REPLACEABLE)

Length : 145mm
1pc./pack 10packs/box
Package size : 60mm×205mm×20mm
Net weight : 28g
FEATURES :

The felting needle is especially designed for dry wool to make figures of your own.

- ★ This felting needle is easy to replace and fits both thick and thin needles.
- ★ The grip is comfortable to hold and will not slip, so you will not become tired even if you are felting for a long time.
- ★ The hard cap ensures your safety when you put it on.
