

Needle Felting Tools

FELTOMO

Felting is characterized by methods in which various two- and three- dimensional works can be created by poking wool with a special needle. Felting is accessible to beginners and children because accessories and interior decorating items can be made in a short time.

JAN : 4974723702410
ART. NO. : TF008e
ART. NAME : FELTOMO (NEEDLE REPLACEABLE)
Length : 145mm
1pc./pack 10packs/box
Package size : 60mmx205mmx20mm
