GRANDHOOK

ETIMO Kids Grand-chan

A crochet hook with a face!
The face makes it easier to learn how to use the hook!
The pointed, smaller head enables you to easily insert and pull out the hook.

A trick to allow easy crocheting is to keep Grand-chan always facing you.

The deeper groove allows easy crocheting and provides a beautiful finish.

The thumb rest on the front side and the grip extending to the back side on which your forefinger rests help you to hold the crochet hook without undue stress. The longer grip helps kids, as well as adults with impaired finger strength, to enjoy crocheting.
