

Needle Felting Tools

FELTOMO

Felting is characterized by methods in which various two, and three-dimensional works can be created by pricking wool with a special needle. Felting is accessible to beginners and children because accessories and interior decorating items can be made in a short time.

EAN : 4974723702410
ART. NO. : TF008e
ART. NAME : FELTOMO (NEEDLE REPLACEABLE)

Length : 145mm
1pc./pack 10packs/box
Package size : 60mm×205mm×20mm
Net weight : 28g
FEATURES :
The felting needle is especially designed for dry wool to make figures of your own.
This felting needle is easy to replace and fits both thick and thin needles.
The grip is comfortable to hold and will not slip, so you will not become tired even if you are felting for a long time.
The hard cap ensures your safety when you put it on.
