TP1218

① Connect CarryS needles to both ends of the 16"(40cm) cable and knit the main tube. Knit up to the decrease row.

② Transfer half of the stitches each to two CarryS needles connected to a 2"(5cm) cable. Use the third needle to knit the decrease rows.

★How to interchange knitting to Tunisian crochet

① Switch the first end of the CarryS needles holding stitches to a Tunisian hook.

② Use yarn in another color to start crocheting RP on the wrong side in double-ended Tunisian crochet.

CarryS Interchangeable Knitting Needle Set 1set
carryT Interchangeable Bamboo Tunisian Hook E-4(3.50mm)
2pcs.

★Yarn

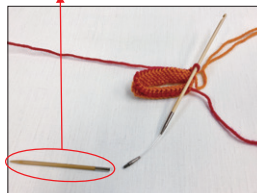

- Orange yarn: Forward Pass (FP)
- Pink yarn: Return Pass (RP)

Switch the needle to a Tunisian hook to make a double-ended Tunisian crochet hook.

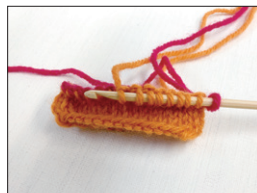

★How to interchange Tunisian crochet to knitting

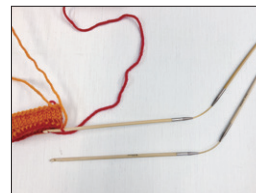

③ After you have crocheted half a round of RP, switch the Tunisian hook as in the photo.

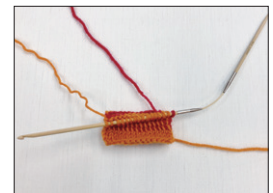

④ Use the hook to finish the rest of the stitches, then switch the needle on the opposite side to a Tunisian hook.

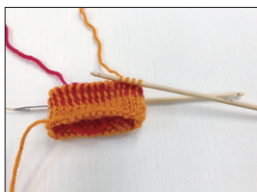

⑤ Continue to double-ended Tunisian crochet the required number of rounds in spiral.

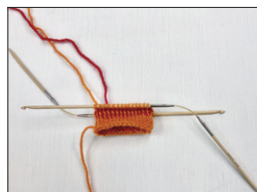

⑥ After you have finished crocheting up to RP, switch to the combination of needles as shown in the photo.

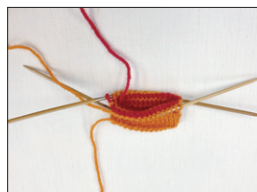

⑦ Crochet half a round of FP.

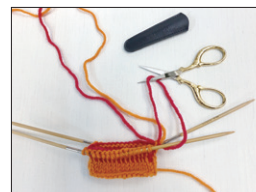

⑧ Finish the remaining half of the stitches using the other needle prepared in step ⑥.

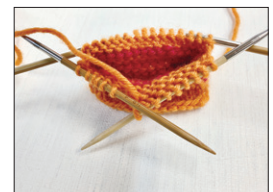

⑨ Finished the remaining stitches.

⑩ Switch the Tunisian hooks to knitting needles.

⑪ Cut RP yarn, leaving a long tail and pulling the yarn through the loop.

⑫ Knit through back loop in the first round with the switched needles, then return to regular knitting in the next round.
