CTMM-22

① Connect CarryS needles to both ends of the 40cm cable and knit the main tube. Knit up to the decrease row.

② Transfer half of the stitches each to two CarryS needles connected to a 5cm cable. Use the third needle to knit the decrease rows.

★How to interchange knitting to Tunisian crochet

① Switch the first end of the CarryS needles holding stitches to a Tunisian hook.

② Use yarn in another color to start crocheting RP on the wrong side in double-ended Tunisian crochet.

< Tools needed >

CarryS Interchangeable Bamboo Knitting Needle Set 1set

CarryT Interchangeable Bamboo Tunisian Hook 3.50mm 2pcs.

★Yarn

●Orange yarn: Forward Pass (FP)

●Pink yarn: Return Pass (RP)

Switch the needle to a Tunisian hook to make a double-ended Tunisian crochet hook.

③ After you have crocheted half a round of RP, switch the Tunisian hook as in the photo.

④ Use the hook to finish the rest of the stitches, then switch the needle on the opposite side to a Tunisian hook.

⑤ Continue to double-ended Tunisian crochet the required number of rounds in spiral.

★How to interchange Tunisian crochet to knitting

⑥ After you have finished crocheting up to RP, switch to the combination of needles as shown in the photo.

⑦ Crochet half a round of FP.

⑧ Finish the remaining half of the stitches using the other needle prepared in step ⑥.

⑨ Finished the remaining stitches.

⑩ Switch the Tunisian hooks to knitting needles.

⑪ Cut RP yarn, leaving a long tail and pulling the yarn through the loop.

⑫ Knit through back loop in the first round with the switched needles, then return to regular knitting in the next round.
