Knitting Needles

Knina swivel Knitting Needles

Knitting has never been so easy without our bamboo circular needles! As an improvement, our needle design streamlines the connection with other parts and prevents the cable from twisting during knitting. The slight bulge in the cable connection now features a smoother join. In addition, the cable and needle are no longer fixed, allowing the user to rotate the needles freely.

Features of Knina swivel Knitting Needles

- * Flexible cable is even great for magic loop knitting.
- * Rotary cable join prevents twisting.
